

GLAM[®]
INDIA'S #1 NAILS BRAND

Brand Glam was founded on 28th April 2013 by R Nail Lounge.

Brand Head Office is in Mumbai – India.

We realized that love for nails is beyond any limits, so we decided to introduce professional range of nail products according to current nail trends to the consumers as well as Salon Professionals.

We gained knowledge about nails after visiting countries which are leader in nail market. After continuous counselling with nail technicians and salon owners, We developed a high-performance line of nail products that can meet the requirements of this constantly growing nail industry at the best affordable price.

We deal in professional nail products which covers the entire spectrum of nail requirements and demands which consists of gel system, acrylic system, UV & LED lamp, Buffers, Brushes, Nail tips, Nail paints, Nail treatment, Nail removers and Nail accessories etc.

Currently we have biggest range of nail products and we are country's biggest supplier for Nail Art and Extension products.

Glam provides entire set-up along with education, business consultation and commercial ideas to run a nail business. We understand the demands and requirements of Salons and Academy. Glam possess a highly expert team on panels that are aware of current nail trends and the nail market.

We give dedicated post-training support always via medium of Workshops, Seminars, Video Calls and Videos uploaded on Internet and on our YouTube channel.

We supply our products to salons who are doing nails or are aspiring to start nails sections in their Salons, Nail Academies who are indulged in educating nails and want to start nail syllabus in their nail academy and also Individuals and Nail Lovers who are looking to make their careers in nail industry as nail technicians, nail operators, nail trainers and nail educators. We have PAN India presence with the help of our loyal and supportive 60+ distributors and we also have 60+ Glam outlets in India.

We believe in maintaining customer and vendor relationships.

Mixing Gel

Product Code : GMG01 | Net Wt : 8 gms | MRP : 1000/-

USP: Mixes glitter and mylar effortlessly, Smooths roughness, Gel-based for flawless finish, UV/LED curing for durability, Non-yellowing, No buffing needed, Ideal for nail pros.

Glam Mixing Gel is the perfect solution for achieving dazzling and gleaming nail art! This gel is specially formulated to effortlessly mix glitter and mylar, giving your nails a glamorous finish. It eliminates roughness with its smoothing properties, because of its gel-based formula. You have to cure it under UV/LED for a flawless, long-lasting result. Plus, enjoy its non-yellowing feature and skip the buffing step for a hassle-free application. It is a must have for nail art professionals.

Brush Care

Product Code : GBC02 | Net Wt : 15 ml | MRP : 1000/-

USP: Deep cleansing formula, Ensures 100% clean removal of product residue, Preserves bristle softness, Prevent damage of bristles, Prolongs brush life, Compatible with all types of brushes.

GLAM Brush Care is a Gel-based product designed to thoroughly clean gel brushes, acrylic brushes and all types of professional brushes used for nail art. It ensures complete removal of any product residue inside the brush, leaving it 100% clean. This maintains the softness of brush bristles to prevent damage from opening or spreading. It helps to extend the lifespan of brushes, keeping them in optimal condition for long-lasting use. It is suitable for cleaning all types of nail art brushes, catering to various nail art needs.

Magic Lotion

Product Code : GML01 | Net Wt : 15 ml | MRP :

USP: Effortless Removal, Gentle Formula, Hassle-Free, Maintains Nail Health, Promotes Nail Cleanliness, Must-Have for Salon Professionals.

GLAM Magic Lotion, the perfect solution for effortless nail extensions removal. Its gentle, hassle-free formula breaks down and melts away gel and acrylic, shielding natural nails from harm. Glam Magic Lotion maintains nail health and cleanliness, making it a must-have for salon professionals and nail lovers.

Primer

Product Code : NF4 | Net Wt : 15 ml | MRP : 1300/-

USP: No curing, Quick dry, Easy to use.

Glam Primer is used before gel polish, gel extensions, acrylic extensions, and overlays and in poly gel. It helps to increase the longevity of gel nails, gel extensions and acrylic extensions. The application of the primer helps to create a coarse surface which helps proper adhesion & holds the grip of the product and makes it long lasting. The exceptional quality of the primer is that it dries quickly and does not need to be cured in UV/LED lamps. No harmful chemicals are present in gel which could lead to any reaction on nails and skin.

The quantity of primer is 15 ml. Primer can suffice for a minimum of 50 clients. It is highly recommended for Salon Professionals.

Dehydrator

Product Code : NF5 | Net Wt : 15 ml | MRP : 1300/-

USP: No curing, Quick dry, Easy to use.

Glam Dehydrator is applied to the unpolished nail to remove the excess moisture, dehydrates the nails completely and preps the nail surface super dry. The dehydrator is applied before primer. It is used in gel nails, temporary extensions, gel extensions, acrylic extensions and overlays. Dehydrator is a liquid-based formula, which has an antifungal property that helps the nails to stay out of infections and bacteria. One dip of the formula is enough to cover your nails in one hand. No harmful chemicals are present in gel which could lead to any reaction on nails and skin. The quantity of dehydrator is 15 ml. Dehydrator can suffice for a minimum of 50 clients. It is highly recommended for Salon Professionals.

Nail Brush Cleaner

Product Code : GBC01 | Net Wt : 120 ml | MRP : 750/-

USP : For long life of nail brushes it is advisable to clean the brushes with Glam Brush Cleaner after every use.

Glam Brush Cleaner smoothly removes gels and acrylic powders stuck on the bristles of the nail brushes and keep bristles clean and gives long life to bristles of the nail brush. Cleaning nail brushes with normal acetone damages bristles & shortens the life of bristles.

Gel Cleanser

Product Code : NF8 | Net Wt : 120 ml | MRP : 1150/-

USP: Removes stickiness, No curing, Easy to use.

Glam Gel Cleanser is the last step used during the application of gel extensions. It helps to remove the sticky and tacky layer of the gel. The added benefit of a gel cleanser is it helps to clean the stickiness present on the brushes. It also dries quickly and does not need UV/LED Lamp to cure. Gel Polish Base Coat

Product Code : GLBC | Net Wt : 15 ml | MRP : 1350/-

USP: Supports UV/LED lamp, Lasting up to 21 days, Holds gel polish.

A long-lasting manicure starts with the base coat. Glam Gel Polish Base Coat is the essential key to get gorgeous nail. It is applied before applying gel polish. Base Coat is the first and very crucial step before the application of gel polish on the nail. It gives the nail color something to adhere to the nail. It helps to maintain a layer of protection from the colored polishes to turn the nail yellow. It also prevents the bright and dark colored gel polish from staining the nail. It helps to make the nail surface area smooth and balanced. It requires a UV/LED Lamp to cure and is easy to apply. No harmful chemicals are present in the formula which could lead to any reaction on nail and skin. The quantity of Gel Polish Base Coat is 15 ml. It can suffice for a minimum 60 clients.

It is recommended for Salon Professionals and Consumers.

Gel Polish Top Coat

Product Code : GLTC | Net Wt : 15 ml | MRP : 1350/-

USP: Supports UV/LED lamp, Glossy effect, No wipe top coat.

Glam Gel Polish Top Coat seals the polish, prevents from chipping and gives the polish a beautiful shine. And, get go-to ready nails quick. It is applied after the application of polish. Top Coat is the last and very essential step after the application of gel polish on the nail. Top Coat is used in order to give manicure/pedicure a perfect finish. It helps to harden the nail as it dries to protect the nail color from scratches, chipping and peeling. It gives a high gloss and added shine on finished gel paint. It helps the gel polish to stay fresh and young for long. It hides minor flaws like lines, dents, finger prints that accidentally pass on to painted nail. It also helps to fix or cling nail art accessories too. It requires a UV/LED Lamp to cure and is easy to apply. No harmful chemicals are present in the formula which could lead to any reaction on nails and skin. The quantity of Gel Polish Top Coat is 15 ml. It can suffice for a minimum 30 clients. It is recommended for Salon Professionals and Consumers.

Gel Polish Sparkle Top Coat

Product Code : GLST | Net Wt : 15 ml | MRP : 1350/-

USP: Supports UV/LED lamp, Sparkle shine, No wipe top coat.

Glam Gel Polish Sparkle Top Coat is enhanced with glitter allowing you to add sparkle to any of your favorite colors with no extra mess. It is applied after the application of gel polish. Top Coat is the last and very essential step after the application of gel polish on the nail. It helps to harden the nail as it dries to protect the nail color from scratches, chipping and peeling. It also helps to strengthen the nail and gives a sparkling glitter effect when applied on colors. It helps the gel polish to stay fresh and young for long. It hides minor flaws like lines, dents, finger prints that accidentally pass on to painted nails.

It requires a UV/LED Lamp to cure and is easy to apply. No harmful chemicals are present in the formula which could lead to any reaction on nail and skin. The quantity of Gel Polish Sparkle Top Coat is 15 ml. It can suffice for a minimum 30 clients. It is recommended for Salon Professionals and Consumers.

Gel Polish Matte Top Coat

Product Code : GLMC | Net Wt : 15 ml | MRP : 1350/-

Foot Scraper (10 pcs Pad free)

Product Code : BF08 | Net Qty : 1 pc | MRP : 550/-

USP: Hygienic, Steel handle, Non slippery grip, Multi time to use

Glam Foot Scraper is the one and only foot Scraper you will ever need! It is used during pedicures. It is brand new and high in quality, easy to use scraper to remove thick dead skin and callus. It is ultimate in design and can be used multiple times. Generally, after the constant and persistent use of a regular foot scraper, the pads get less effective and can no longer be used and need to be thrown. Also, it is very unhygienic to use it on another client. But with Glam foot scraper just changes disposable pads after every use to maintain high level of hygiene. As Glam Foot Scraper comes with a detachable pads system, there is no need to buy a new foot scraper all over again and again. It is easy to use, sterilize and perfect to maintain hygiene with disposable grit pads in two different grits which are easily replaced to create a new, two-sided file for each use. The stainless-steel handle provides firm grip and leverage while filing. The 66% larger pad surface is perfect for fast filing and for thin filing areas where scraper works flexibly between areas of the feet and between toes. It is cost friendly and saves product inventory. With Glam Foot Scarper, 12 pieces of the pads absolutely free with every foot scraper.

Foot Scraper Disposable Pads

Product Code : BF09 | Net Qty : 10 pcs | MRP : 300/-

USP: Hygienic, Strong adhesive, 80/150 grid, Easy to stick.

Glam Disposable pads are to maintain a high level of hygiene. As majorly while doing pedicure, the same foot scrapper is used on all clients. This increases 100% chances of getting infections. Hence using Glam disposable pads finish the chances of getting any infections as it is used on clients only once. It is cost friendly and result oriented. It comes in packaging of 10 replaceable pieces. It's strong adhesive which keeps pads in place during use and yet are easy to remove after each service, leaving no residue. Glam foot scraper is required to use Disposable pads.

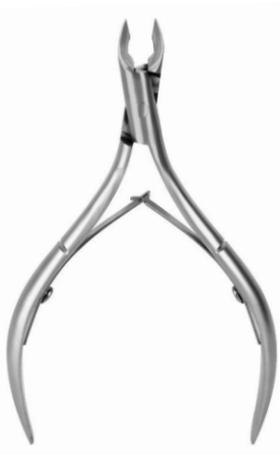

Professional - Stainless Steel Nipper

Product Code : NAD62 | Net Qty : 1 pc | MRP : 1650/-
